

**We are looking for a:**

## **PRODUCTION PLANNER**

As we are extending our products and open a new factory, we are also extending our team and look for a **Production Planner** to join us.

### **Your Mission:**

Your mission is to schedule and build the Production Plan according to customer requirements and the optimal stock level.

### **You will be responsible for the following tasks:**

- Building the Daily Production Plan according to customer requirements and the optimal stock level.
- Determining the need for manpower, equipment and materials for accomplishing the production plan.
- Collaborating with Logistic Purchasers to ensure the raw materials needed.
- Synchronizing the production plan with the deliveries to the customer.
- Managing and prioritizing customer orders according to production capacity capabilities.
- Monitoring the value of the stock of finished products against the objective, the level of stock rotation and logistics costs.
- Ensuring the launch of new products in manufacturing and managing the completion of the product manufacturing cycle.
- Collaborating with the production and technical manager.
- Identifying the reasons for deviations as well as corrective and preventive action.
- Generating analyzes and reports requested.
- Escalating any situation that may become critical due to the non-realization of the Production Plan.
- Analyzing the correct allocation of orders to equipment/production.

### **Your profile:**

- Engineering diploma, or equivalent experience.
- 2 to 4 years of seniority in a similar role.
- Advance English skills are a must.
- SAP experience.
- Very good command of Excell/Office suite.
- Hands on attitude and involvement.
- Autonomous, responsive, results and details oriented.
- Good knowledge of French language is an advantage.

**We offer** more than a job! What you'll will find here? Take a look:

- Interesting and challenging position in the aerospace industry.
- Various opportunities for personal and professional development, training and continuous learning.
- A permanent position in a company with a strong corporate identity and purpose.
- Great company culture in a young and dynamic team.
