

## **Production Planner (Turda, Cluj, Romania)**

**Sonaca Romaia** is an aerospace manufacturer established in 2015 near Turda, part of Sonaca Group (Belgium) and produces in Romania three ranges of products:

- Assembly of slats for Airbus A320 aircrafts (movable part in front of the wing)
- Production of composite parts for the wings of Embraer Legacy 500 and E2-190 Aircrafts
- Assembly and production of composite parts for Ariane 6 rocket.

Sonaca Romania has opened the **second factory**, with ambitious plans to grow its team to almost double the current size.

In this context, the Logistic department is looking for a talented colleague to join the team, in the role of **Production Planner**.

Your mission is to schedule and build the Production Plan according to customer requirements and the optimal stock level.

### **You will be responsible for the following tasks:**

- Building the Daily Production Plan according to customer requirements and the optimal stock level
- Determining the need for manpower, equipment and materials for accomplishing the production plan
- Collaborating with Logistic Purchasers to ensure the raw materials needed
- Synchronizing the production plan with the deliveries to the customer
- Managing and prioritizing customer orders according to production capacity capabilities
- Monitoring the value of the stock of finished products against the objective, the level of stock rotation and logistics costs
- Ensuring the launch of new products in manufacturing and managing the completion of the product manufacturing cycle
- Identifying the reasons for deviations as well as corrective and preventive action
- Generating analysis and reports requested
- Escalating any situation that may become critical due to the non-realization of the production plan
- Analyzing the correct allocation of orders to equipment/production

### **Your profile:**

- Engineering diploma or equivalent experience
- 2 to 4 years of seniority in a similar role
- Advance English skills are a must
- SAP experience
- Very good command of **Excell/Office suite**
- Hands on attitude and involvement
- Autonomous, responsive, results and details oriented

### **What will you find here?**

- A great team to work with
- Lots of learning opportunities
- Excellent work-life balance
- Occasionally work from home 1 day/week
- Flexible working hours

If all this sounded good and you want to join our team, send your resume now at [sat.recrutare@sonaca.com](mailto:sat.recrutare@sonaca.com) with **subject** Production Planner!
